1. stormfly's birthday

A/N I'm not good at writing so help and I might make it a story and not just a one-shot so on with the story

Disclaimer:I don't own httyd or any of the characters

Stormfly is sitting on the hills thinking to herself. 'Man I can't believe everyone forgot my birthday even toothless the one person I have a crush on forgot.' She said in her mind. Then toothless snuck up on stormfly with something in his hand thinking 'I hope she likes the present I got her for her birthday.' Then he tapped on her shoulder and she turned her head and smiled and said "hey what do you want you already forgot my birthday.""I didn't forgot your birthday I was trying to get your present I have been working on for the passed couple months." Toothless said and handout his paw and in it was a pure diamond necklace with the word stormfly in graved in it and in between storm and fly was a pure diamond sculpture of her and a note hanging under it that said I love you -Toothless. Then toothless helped her put it on and he said "I love you.""I love you too." Said stormfly and they kissed and walked away.

A couple of months later

Stormfly wacurled around some eggs and toothless was guarding them

A/N I might make a sequel to this if you guys want me to and good bye for now.
